Having a Civil Marriage or Civil Partnership in Stockport

What is a Civil Ceremony?

A Civil Ceremony is a non-religious ceremony performed by a Superintendent Registrar or Deputy Superintendent Registrar.

You may have a Civil Ceremony in any register office or at any of the approved venues of your choice in England and Wales. Call the Stockport Register Office or look at our website for an up to date list of the Approved Venues in Stockport. There is also a list of Approved Venues in Stockport at the back of this brochure.

This brochure will guide you through the procedures you will need to follow such as:

- setting the date for your civil marriage or civil partnership ceremony
- notice of intention to marry or register a civil partnership
- immigration rules
- legal preparations and the documents you will need to provide
- having your ceremony in Stockport
- personalising your ceremony
- getting married in a church or other religious building
- other celebratory services in Stockport

Setting the Date for a Civil Marriage/ Civil Partnership

Once you have chosen a venue in Stockport, setting the date is easy. Simply call the Stockport Register Office for advice and to provisionally book a date. Please note that all provisional bookings for Approved Venues are subject to a non-refundable booking fee.

Provisional bookings

We recommend that you telephone us in order to check our availability and to make a provisional booking.

However, you must be aware that a formal legal notice of intention to marry or to register a Civil Partnership must be given by you and your partner after you have made the provisional booking.

When you telephone us to make your provisional booking we will ask for the following information:

Adrian Cook Photography

- date, time and place of the intended ceremony
- names of both parties
- nationality of both parties
- addresses of both parties and how long they have lived there
- daytime telephone numbers for each party
- marital status of each party
- payment details for the non-refundable booking fee (approved premises only)

Please note that provisional bookings operate on a first-come first-served basis and we recommend that you make your provisional booking as early as possible.

If after you have made the booking an unforeseen problem arises forcing you to cancel the ceremony, or change the date, time or place of your booking, you should notify us as soon as possible and we will do our best to accommodate you.

Notices of Intention to Marry or Register a Civil Partnership

Before getting married or registering your Civil Partnership, you must each give notice in the district in which you live. For example, if you are having your ceremony in Stockport but one of you lives in Trafford and the other in Manchester, you must give notice to your local register office in Trafford and Manchester respectively. Even if you both live at the same address, you are each required to give notice at your local register office.

However, if one or both of you is **not** a British citizen or an EEA national and therefore subject to **immigration control**, you must give notice together in a designated register office, i.e. a register office that can take notices for non-British citizens and non-EEA nationals. Please contact us first for advice.

You qualify to give notice after you have lived for a full eight consecutive nights (seven completed days) in a registration district in England and Wales. This is normally your home address and notice must be given to your local register office where you have acquired this residency.

The notices must be given in person by you and your partner. The notices are legal declarations which must be signed by each of you. A relative or friend cannot give the notices for you, nor may you give notice for each other.

The notices are valid for one year. However, you can make a provisional booking for your ceremony up to two years ahead. Please see page 3 for further information on provisional bookings.

Once the notices have been given you must then wait at least 29 days before the ceremony can take place. If you do not give notice on the same day as each other, you must wait a minimum of 29 days after the second notice has been given.

Please be aware that if you decide to change the venue for your ceremony after you have given notice, you will need to begin the process again and give fresh notices for the new venue. Further fees will be charged for the new notices.

Legal Preparations and the Documents You Will Need

When you give your notices you will need to provide:

- proof of your name, age, marital status and nationality
- evidence of your address
- the fee for giving notice (a list of current fees is in the pocket at the back of this brochure)

A current full passport is the preferred document for proving your identity, age and nationality.

If you do not hold a valid passport, please contact us in advance and our staff will be happy to advise you on acceptable alternative documentation.

Your driving licence card or a recent utility bill or bank statement is the preferred documentation for evidence of your address.

Special circumstances

There are some circumstances when you will need to provide us with additional documentation such as:

If either of you have been married or through a Civil Partnership before, in this country, or any other country, and you are divorced or have had a dissolution of a Civil Partnership, we will need to see a court-stamped copy of the decree absolute or dissolution certificate. If your divorce or dissolution was granted abroad, we will need to see the original document issued by that country, along with a translation into English (if applicable). Please be aware that some divorces/dissolutions have to be sent to the Registrar General for approval before the ceremony can go ahead.

If either of you are a widow, widower or surviving civil partner, we will need to see a certified copy of your former partner's death certificate. The Marriage/Civil Partnership certificate may also be required in certain cases.

If either of you is under 18, we will need to see proof that your parent(s) or guardian have consented to your Marriage or Civil Partnership. If your parents are divorced, you may also need to provide the court order that gives custody to one of your parents.

Having your Ceremony in Stockport

Whether you are having a Marriage or a Civil Partnership, your ceremony is very special to you and we want to do everything we can to ensure that you have the ceremony you want.

The two ceremony rooms are located in the Register Office, Stockport Town Hall (John Street Entrance) Stockport.

The Register Office (Robert Hyde Room) is available Monday to Friday (noon) and is ideal for small parties of up to 16 people. The room has been tastefully decorated and furnished.

This room is air conditioned and been decorated and furnished to enhance the magnificent chandelier hanging from the glorious barrel designed ceiling.

Enhancements

You may enhance your ceremony by adding personal words or having a **reading or poetry** read by your family, friends and guests. There must be no religious content whatsoever and our staff will be more than happy to give help and advice regarding your choices.

Music may be played as the guests enter the ceremony rooms, when the bride walks down the aisle, during the signing of the register and the exit of the couple.

You can choose from a selection of acceptable music available at the Register Office, or you may wish to provide your own music (non-religious only) which we will be happy to play for you.

We are happy to allow **photographs** at particular points during the ceremony. On completion of the ceremony, there will be ample time for photographs, including the signing of the register.

If someone wishes to make a **video** recording of the ceremony, they are requested to speak to the Superintendent Registrar officiating at the ceremony. The recording may only be made using the lighting already present in the ceremony room (no additional lighting is permitted) and the operator must remain stationary throughout the ceremony.

Please remember that other couples may be having a ceremony on the same day as you, therefore your guests are asked to wait until you are outside the building before they shower you in **confetti**.

We offer a **car parking** pass for the bridal car to park in front of the Register Office in specially provided car parking places. Limited car parking is available for guests on a first-come, first-served basis, and additional car parking is by pay and display on various roads around the Town Hall, Stopford House, or the Grand Central car parks.

Parking on Saturdays is available all day for a nominal fee at Stopford House (which is adjacent to the Town Hall – on Norbury Street).

Choosing an Approved Venue

As well as having your ceremony in the Register Office (Robert Hyde Room) or the Sir A Brumwell Thomas Room, you may choose to have your ceremony in one of Stockport's Approved Venues. These venues hold licences that allow them to offer Marriage and Civil Partnerships. Information on some of these venues is contained within this brochure and a list of all the Approved Venues in Stockport is available at the back of this brochure and on the Registrar's website.

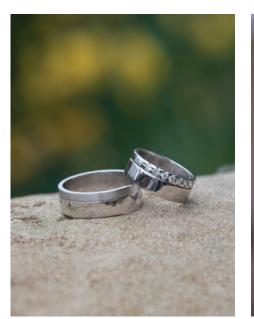

If you choose to hold your ceremony in one of the Approved Venues you should initially contact the venue of your choice and make provisional arrangements for the date and time of your ceremony. You should then immediately contact the Stockport Register Office to ensure that registration staff are available to attend your ceremony on the day and time of your choice. Whilst the venue may be able to hold your ceremony,

> The Brumwell The Room

there is no guarantee that the Registrars will be available to attend.

If the Registrars are available to attend, a provisional booking fee will be taken from you to secure the day and time of your ceremony. In Stockport it is possible to provisionally book your ceremony up to two years in advance even though you cannot give legal notice at this time. This will enable you to make other arrangements connected with your ceremony.

All fees should be paid in full at least two weeks before the ceremony. Please see your booking confirmation form or our website for details of the fees payable.

Personalising Your Ceremony

We are here to help you to make your day a special and memorable occasion. You may wish to have a simple ceremony, or you may choose to enhance your ceremony with readings, poetry and music.

However, please be aware that there is specific legal wording which must be included in the ceremony.

You are welcome to incorporate pieces of non-religious poetry or prose to enhance your ceremony and you may wish to include music for the entrance/start of the ceremony, the signing of the marriage register and for the exit of the couple from the ceremony room. If you are having your ceremony at an Approved Venue, please organise the music with the venue.

Whether you have a simple or enhanced ceremony, you will need to send your final wording to the Register Office for approval at least two weeks before the ceremony. Please provide us with copies of all readings and names of the readers in advance of your ceremony.

Please do not hesitate to contact our staff at the Stockport Register Office for advice; we will be happy to suggest the most appropriate timings for additions to your ceremony. You will find our contact details at the back of this brochure.

On the Day

You are both required to be ready for a preceremony interview by the Registrar before the ceremony commences – this interview is essential to ensure that all the personal details are correct for the registration of your Marriage or Civil Partnership – interviews can take place separately or together.

It is very important that you and your guests arrive in plenty of time – it is probable that the Registrars will have other ceremonies to attend. Arriving late could result in the postponement of your ceremony to a later time or day so that other ceremonies taking place are not disrupted. So to avoid any disappointment, please make sure that you have allowed enough time to get ready and arrive at the venue calmly and promptly.

You will need two witnesses. On the day of your ceremony, the law requires that you bring with you at least two other people who are prepared to witness your ceremony and sign the Marriage Register or Civil Partnership Schedule. They may be relatives, friends or colleagues who are able to speak and understand English, as they must be able to comprehend what is taking place and testify to what they have seen and heard.

It is essential that both you and your witnesses fully understand the content of your Marriage or Civil Partnership, and therefore the full legal implications of such a celebration. If there are any language difficulties, you must provide a suitable **interpreter** to attend with you who must sign as a witness and is satisfied that you understand the nature and purpose of the ceremony.

Getting Married in a Church or Other Religious Building

If you wish to be married by the Church of England or the Church in Wales, you should first speak to your parish Vicar.

If the Vicar is able to marry you, he or she will arrange for the banns to be published three Sundays before the day of your ceremony, or for a common licence to be issued. The marriage will be registered by the Vicar and there is usually no need to involve the Superintendent Registrar or Registrar from the local register office.

If you are marrying in any religious building other than the Church of England or Church in Wales, you should arrange to see the Minister or other person in charge of marriages at that building.

The church or religious building must normally be situated in the registration district where you or your partner lives. You can only marry in a church or religious building in a different district to where you live if either of you usually worship in that building. In exceptional circumstances, you may get married in another district if there is no building of your religion in the district where you or the person you are marrying lives.

Formal notice of marriage needs to be given, in person, at the Register Office for the district(s) where you live. For more information on giving your notices please see page 4 and 5. A Registrar from the Register Office for the district in which the building is situated must be present, unless one of the governing bodies of the religious building is authorised to register the Marriage instead of a Registrar.

If you are marrying in a place of worship and you need a Registrar to be present at your wedding, please consult the Register Office in the district in which you are getting married to make a provisional booking and to ensure a Registrar is available.

Other Celebratory Services

Renewal of Marriage Vows

A Renewal of Marriage Vows ceremony is an ideal way of celebrating a special anniversary, as you bring family and friends together to renew your vows with a declaration of your continuing love and devotion to each other. You can choose the wording of your ceremony to acknowledge the special occasion, have witnesses (original ones or new ones), rededicate your rings or give new ones, celebrate with your favourite music (and even confetti). You will sign and receive a special certificate to commemorate the occasion.

Renewal of Vows ceremonies can be held in the Register Office (Robert Hyde Room), the Sir A Brumwell Thomas Room, or any of the Approved Venues which have been licensed for Marriages and Civil Partnerships.

Naming Ceremonies

A Naming Ceremony is a very special way of welcoming a child's safe arrival into the world, and is an opportunity for you, as parents, to declare before your family and friends your commitment and love, as you welcome your child into your family. It is an occasion for everyone to feel involved as they pledge their love and support for your child's future.

The promises made by parents, grandparents and supporting adults, the readings (non religous only), speeches – in fact everything included in the ceremony can be chosen by you from a wide range of

options. Whatever your requirements, you can have a unique and personal Naming Ceremony written specially for you.

It is also a special way to welcome adoptive children or step children into the family.

Naming Ceremonies can be held in the Register Office (Robert Hyde Room), the Sir A Brumwell Thomas Room, or any of the Approved Venues which have been licensed for Marriages and Civil Partnerships.

British Citizenship Ceremonies

Citizenship ceremonies are the final step in the process of becoming a British citizen. In 2004, the government introduced the requirement for all adults who have been granted British citizenship, to attend a citizenship ceremony.

Group ceremonies which take place in the Sir A Thomas Brumwell Room are attended by the Mayor of Stockport and other dignitaries. Alternatively, new citizens can opt for a private ceremony (an additional fee is charged for this).

Each new citizen attending a ceremony is required to make an oath or affirmation of allegiance to the sovereign and to make a formal and public pledge of their commitment and loyalty to the United Kingdom.

The Mayor will then present the certificates of naturalisation or registration to the new citizens and there is the opportunity after the ceremony to meet the Mayor and dignitary over light refreshments and photographs.

Nationality Checking Service (NCS)

Applying for British citizenship can seem difficult, so the Stockport Registration Service is delighted to offer the NCS. For a nominal fee we can:

- check the application forms and supporting documents
- check and certify copies of your documents e.g. passports and marriage certificates so that the original documents can be retained by the applicant
- check the applications include the correct payment for the Home Office
- forward the applications to the Home Office by secure post

To book an appointment please telephone 0161 474 3364 Monday to Friday 8.30am to 4.30pm. For further information visit our website at www.stockport.gov.uk.
